

Privacy Policy

****Compare My Build****

****Last updated:**** April 2025

1. Introduction

Compare My Build ("we," "our," or "the app") is a speed test and community showcase mobile application. This Privacy Policy explains how we collect, use, and protect your information when you use our app.

By using Compare My Build, you agree to the collection and use of information as described in this policy.

2. Information We Collect

2.1 Information You Provide

- ****Account Information:**** If you sign in with Google, we receive your name, email address, and profile photo from your Google account.
- ****Profile Information:**** Display name, vehicle names, and driver photos you choose to upload.
- ****Build Showcase Content:**** Photos and descriptions of your vehicles/machines that you voluntarily submit.
- ****Country:**** The country you select when running a speed test.

2.2 Information Collected Automatically

- ****Location Data:**** When you run a speed test, we collect GPS coordinates, speed, and route data. Location is only accessed during active speed tests and is not tracked in the background.
- ****Speed Test Data:**** Highest speed, average speed, distance travelled, duration, and GPS route points recorded during each test.
- ****Device Information:**** Device type, operating system version, and app version for crash reporting and compatibility purposes.

2.3 Information Collected by Third Parties

- ****Google AdMob:**** We display advertisements through Google AdMob, which may collect device identifiers, IP address, and usage data to serve relevant ads. See Google's privacy policy: <https://policies.google.com/privacy>
- ****Google Sign-In:**** Authentication is handled through Google OAuth. We only receive the basic profile information you authorize.

3. How We Use Your Information

We use the information we collect to:

- Provide and operate the speed test functionality
- Generate video replays of your speed tests
- Display your results on public leaderboards (if you choose to participate)
- Sync your test history and builds across devices
- Display your profile on the community showcase
- Serve advertisements through Google AdMob
- Improve the app's performance and user experience
- Respond to user support requests

4. Data Sharing and Disclosure

We do **not** sell your personal information to third parties.

Your information may be shared in the following circumstances:

- **Public Leaderboards:** Your driver name, vehicle name, vehicle type, country, and speed results are displayed publicly on in-app leaderboards. You may choose to post anonymously to avoid this.
- **Google AdMob:** Ad-related data is shared with Google for the purpose of serving advertisements, as described in Google's privacy policy.
- **Legal Requirements:** We may disclose information if required by law or to protect our rights and safety.

5. Data Storage and Security

- Speed test data, profile information, and build showcase content are stored on secure servers.
- Passwords are not stored – authentication is handled entirely through Google OAuth.
- GPS route data and test results are stored to provide history and leaderboard features.
- We implement reasonable security measures to protect your data, but no method of electronic storage is 100% secure.

6. Data Retention

- Your account data and speed test history are retained as long as your account remains active.
- Guest mode data is stored locally on your device only and is not transmitted to our servers.
- You may delete your account and all associated data at any time (see Section 8).

7. Location Data

- **When collected:** Only during active speed tests that you manually start.
- **Purpose:** To calculate speed, distance, route, and generate video replays.
- **Background access:** We do **not** track your location in the background. Location access stops immediately when you end a speed test.
- **Storage:** GPS route data is stored with your test results to provide history and map views.

8. Your Rights and Choices

Delete Your Account

You can permanently delete your account and all associated data from within the app:

Settings → Delete Account

This removes:

- Your profile and account information
- All speed test history
- All build showcase entries
- All generated videos

Guest Mode

You can use the app without creating an account. In guest mode, all data remains on your device and is never sent to our servers.

Anonymous Testing

You can run speed tests anonymously. Anonymous tests appear on leaderboards without your name attached.

Opt Out of Personalized Ads

You can opt out of personalized advertising through your device settings:

- Android: Settings → Google → Ads → Opt out of Ads Personalization

9. Children's Privacy

Compare My Build is not directed at children under the age of 13. We do not knowingly collect personal information from children under 13. If we become aware that a child under 13 has provided us with personal information, we will take steps to delete such information.

10. Permissions Used

| Permission | Purpose |

|-----|-----|

| Location (GPS) | Track speed and route during speed tests |

| Camera | Take photos of your vehicles/builds |

| Photo Library | Upload existing photos of your builds and save video recordings |

| Internet | Sync data, display leaderboards, serve ads, generate videos |

11. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify you of any material changes by posting the new policy within the app. Your continued use of the app after changes constitutes acceptance of the updated policy.
